## Encouraging words:

Stick to it. • It's good to try. • If you try, try, try, then you can, can, can. What could you do if you get stuck? • I can't, but I am learning to. • I tried something new. • I got myself unstuck! • I kept going. That's great! • How did it feel when you finished that? What else could you try to do that?
