

# SAVE *THE* DATE

***Please make time to join us as we begin to dig into an important issue our community has brought forward.***

A series of *three* informational “town hall” style meetings are being held to discuss the *problems of drug misuse*. *Together we will* look for ways we can help heal our community.

Each of these meetings will be held at the Mohican Family Center, a meal will be provided prior to the speakers beginning at approximately 5:00 PM.

**ANY QUESTIONS? You can contact:**

## *Upcoming Meeting Dates*

### **FEBRUARY 15**

Professionals from our clinic will discuss medication misuse and potential harms.

### **MARCH 8**

We will be focusing on pain medications and opioids.

### **MARCH 22**

We will be looking at illicit medications, what is out in our community and surrounding areas.
